"Empowering People to Reach their Greatest Potential"

## Mental Health Provider

We are looking for Michigan-based limited and fully licensed counselors, social workers, and psychologists for our hybrid and telehealth-only positions. All candidates must be licensed in the State of Michigan - LLPC/LPC, LLMSW/LMSW, DTLLP/TLLP/LLP. We welcome new graduates who are just stepping into the field and therapists with years of experience. We have remote supervisors available as needed.

### What We Offer:

- Personal office
- Flexible schedule
- Income increase opportunities
- Training on our EMR (Therapy Notes) for scheduling and notes
- Insurance credentialing with our practice
- Billing services and support with online account access
- Each provider is responsible for building and maintaining client caseload. Some assistance for building caseload may be provided.

**Position Types:** Remote vs. Office: In-office/hybrid and telehealth only

**Job Types:** Full-time, Part-time, Less than Part-Time

The following three options are available for working with us. Pay is determined on a tiered fee-split basis based on the average number of clients seen per week.

Position Type	Number of Clients per Week	Income Potential per Year*
Full-time	25+	\$105,000+ *
Part-Time	20-24	\$78,000+ *
Part-Time	15-19	\$54,000+*
Less Than Part-Time	5-14	\$15,000+ *

\* Estimate is based on the lowest client load. Actual income is impacted by client insurance reimbursement and provider collection of client balances.
